B A N G A L O R E.

Sir,

Sub:-Afforestation of the area alround Chamaraja-Sagar-regarding.

- *-*-*-* -

The Honourable Minister for Development, Panchayat Raj and Municipal administration department, during his visit to Chamaraja Sagar Water Works at Thippagondanahalli on 25-6-1965 expressed that the area around the Lake, Chamarajasagar, is quite barren in as much as there are no trees or other green patches along the periphery of waterspread and that the area could be made more pituresque and could be developed as a tourist attraction by planting fruit and flower trees in and around the valley.

Further, on 6-11-1966, the Honnourable Minister for Forests, when he visited the said water works, expressed in the same way and desired that the afforestation which is under progress on the eastern side of the lake be extended to the westernside also. I wish to bring these to your kind information and request you to please issue necessary instructions to the concerned and arrange to take up afforestation of the area and help in making this area as one of the beautiful tourist spots of the Mysore State, besides enriching the forest wealth of the State.

I request early action being taken in this regard.

Yours faithfully,
